sknclinic.ca, Twitter: @SKNclinic

Revitalizing. Calm. Transformational.

SKN Holistic Rejuvenation Clinic is a peaceful, hidden oasis where clients go to rejuvenate their mind, body and spirit. SKN combines the western world of medical esthetics together with eastern medicine to help clients achieve beautiful skin and great health. The range of non-invasive procedures offered at SKN is truly powerful and unique. SKN Clinic is located in beautiful Yaletown.

Q&A

What are your most popular products or services?

Cosmetic acupuncture, customized peels and osmosis medical facials.

What tip would you give women who are starting a business?

Don't let fear hold you back. Be fierce and be determined.

Who is your role model or mentor?

Heather White is my mentor. She has been my business coach from day one and continues to guide me in the right direction.

What place inspires you and why?

Yaletown inspires me because it is full of successful female entrepreneurs. It is really incredible to see so many women-owned businesses in such a small area.
